How do I join East Side Baptist Church?

If you believe it is God's will for you to join us, and will be supportive of the beliefs, fellowship, and mission of our church, we warmly invite you to consider joining our church body.

At the close of the service, our pastor will normally invite you to come forward. When you are greeted at the front, you may express your desire for church membership through one of the following means:

1. Profession of faith

This means you have trusted Jesus Christ as your Savior and Lord and desire to be baptized by immersion;

2. Transfer of membership from another Baptist church

This means that your membership is currently in another Baptist church elsewhere, but you believe it is God's will for you to become part of our church family at this time;

3. Statement of faith

You may be accepted as a member of this church upon your statement that you have previously trusted Jesus Christ as your Savior and Lord for Salvation and you have been baptized as a believer by immersion.

If your church membership is currently in a church of another denomination and you have not experienced believer's baptism by immersion as a public profession of your salvation, we would ask you to be baptized by immersion, in obedience to Christ in accordance with our practice of believer's baptism.
